LANGUID

Many a school-girl is said to be lazy and shiftless when she doesn't deserve the least bit of it. She can't study, easily falls asleep, is nervous and tired all the time. And what can you expect? Her brain is being fed with impure blood and her whole system is suffering from poisoning. Such girls are wonderfully helped and greatly changed, by taking

AYER'S Sarsaparilla

Hundreds of thousands of schoolgirls have taken it during the past 50 years. Many of these girls now have homes of their own. They remember what cured them, and now they give the same medicine to their own children. You can afford to trust a Sarsaparilla that has been tested for half a century. \$1.00 a bottle. All druggists.

If your bowels are constipated take Ayer's Pills. You can't have good health unless you have daily action of the bowels. 25 cts. a box.

One box of Ayer's Pills cured my dyspepsia. L. D. CANNY, Jan. 12, 1890. Bath, N. Y.

A plowman working in a field of Mr. J. Frank Myers, near Mechanicstown in this county, one day last week felt his plow strike a hard substance, and on investigation found the end of a three-quarter-inch iron bar protruding from the ground below. Assistance was had, the rod dug around and attempts made to draw it out, but all in vain. Excavation was finally made to a depth of twelve feet, and a last attempt: to draw the rod ended in breaking it off at about this depth. Further efforts will be made to reach the bottom of the iron, and if it does not extend through to China the pot of gold at the other end will probably be brought to the surface this week.

Look for the Warning.

Heart disease kills suddenly, but without warning. The warnings may be faint and brief, or may be startling and extend over many years, but they are none the less certain and positive. Too often the victim is deceived by the thought, "It will pass away." Alas, it never passes away voluntarily. Once installed, heart or disease never gets better of itself. If Dr. Miles' Heart Cure is used in the early stages recovery is absolutely certain in every case where its use is persisted in.

"For many years I was a great sufferer from heart disease before I finally found relief. I was subject to fainting and sinking spells, fullness about the heart, and was unable to attend to my household duties. I tried nearly every remedy that was recommended to me and doctored with the leading physicians of this section but obtained no help until I began taking Dr. Miles' Heart Cure. It has done me more good than all the medicine I ever took."

Mrs. ANNA HOLLOWAY, Geneva, Ind.

Dr. Miles' Heart Cure is sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.

Our spring promise to all clothing buyers; a hope realized, a promise fulfilled. That is what every sale we make means. We anticipate your wants and wishes, then make the prices irresistible. Our one thought in buying, our one aim in selling, is to find your want and then meet it as no one else can meet it. We weigh every word thoughtfully in the scale of fact; we measure every value we put before you carefully; as a result ours is a sincere store. Everybody knows just what to expect, and expects just what they find, the very best at the lowest possible prices. In our new lines of seasonable goods, quality and style are pre-eminent, and low prices predominate throughout. There is only one class, and that the first. In our spring and summer collection of Clothing, Shoes, Hats and Gents' Furnishings, your responsibility ends and ours begins when you buy of us. We are right behind every transaction we make. Come and look at our new stock; you will find reliable goods at popular prices; you will find friendship, as we esteem every visit from you a personal favor.
